Fire Administration, National Fire Data Center, 1989 OCLC Number: (OCoLC)71341669 Subject: Fires -- Casualties -- Georgia -- Atlanta. Excerpt: . . . USFA-TR-033 June 1989 5 On arrival the Atlanta Fire Bureau was faced with one victim who had already jumped to the ground, approximately 19 people in need of immediate rescue, heaving smoke and heat conditions on the sixth floor with fire extension to the seventh and possibly other floors, elevators that did not automatically return to the ground floor of the building, and people still evacuating as attack crews were attempting to enter the building. The first two truck companies were assigned to make rescues over ladders of those occupants at windows in the front of the building. Rescue units were assigned the job of triage and treatment of those victims coming down who had suffered smoke inhalation and burns, and caring for the victim who had jumped. The second alarm was transmitted six minutes after the first, at 1035, followed by a third alarm at 1043. Because recovery of the victim...

Reviews

This pdf is worth buying. It is actually written in basic words and not confusing. It has been printed in a remarkably basic way in fact it is merely following what I finished reading this publication through which really altered me, affect the way I really believe.
