There are also tests to help us see if we have learned the lesson. Are you happy with the score you have earned so far? Perhaps you haven't read the text book. Maybe you have not done your homework. But scores can always be changed, no matter where you are in life. This book is designed to help you achieve that. If we will commit ourselves to learning the lessons from the Master's school of learning, we'll pass every test with flying colors. Join with me and see what the Master has reserved for you. Let's learn the lessons, take the quizzes, and pass every test that comes from His hand! The author has served as a secondary school teacher in both the public and Christian school settings.
