Bari Semovski, United States, 2012. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you living up to your fullest potential? When you look back at your life, do you have regrets? Are there things you ve said or done that you wish you could take back and moments you wished you seized? Are you waking up in the morning ready to make the day count, but find yourself procrastinating and not getting anything done? In other words, are you in control or are you constantly reacting to your life s circumstances, living your life according to the whims of your current mood? The fact of the matter is most people are not in the driver s seat when it comes to life, but rather feel like a passenger heading to a destination not of their choosing. Their life seems to always be in turmoil, with unfortunate events following one after another. They re plagued with thoughts that they are unlucky or that life has randomly dealt them hardships, neither of which is true. In this revolutionary, ground-breaking book, Bari Semovski shows us that through a simple shift in perception, with the right information, anyone can gain control over their life. Using psychological concepts and methodologies in conjunction with ideas from the fields of self-help, new age and spirituality, The Enlightenment explains the inner workings of our environment in a clear, concise, practical manner. In this book you will learn about the law of attraction and the three practical techniques needed to maximize its effect and make it work...
