Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Lois Cormier II)

QNOTES FOR THE MRCP, PART 1

[DOWNLOAD](#)

Greenwich Medical Media. Paperback. Book Condition: New. Paperback. 334 pages. Dimensions: 9.1in. x 6.1in. x 0.9in.QNotes for the MRCP Part 1 works alongside the Royal College of Physicians published Part 1 MCQ papers from 1996 and 1997 (and more specifically the QBase CD-ROM that accompanied them) to provide the reader with explanatory notes to each of the questions, which were not provided with the original CD-ROM or book. Whilst the notes are not approved in any way by the College, they are provided by a team of authors with recent experience of the MRCP MCQ examination and with considerable experience of teaching trainees themselves (Dr McCrudden also wrote QBase Medicine 2), and as such will provide an excellent basis for learning. All of the explanatory notes are comprehensive, and indexed to easily sourced texts to enable the reader to dig deeper into the topic if required. The CD installs the notes to the users hard disk and when they then return to using the Royal Colleges MRCP QBase CD-ROM, the notes appear, linked seamlessly to each question in the usual way, and as if they were part of the CD itself. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
