## Alasdair MacIntyre's Engagement with Marxism: Historical Materialism, Volume 19 (Paperback)

By Alasdair MacIntyre

Haymarket Books, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. Although Alasdair MacIntyre is best known today as the author of *After Virtue* (1981), he was, in the 1950s and 1960s, one of the most erudite members of Britain's Marxist Left: being a militant within, first, the Communist Party, then the New Left, and finally the heterodox Trotskyist International Socialism group. This selection of his essays on Marxism from that period aims to show that his youthful thought profoundly informed his mature ethics, and that, in the wake of the collapse of the state-capitalist regimes in Russia and Eastern Europe, the powerful and optimistic revolutionary Marxist ethics of liberation he articulated in that period is arguably as salient to anti-capitalist activists today as it was half a century ago. Paul Blackledge, D/Phil (1999) York, is the author of *Perry Anderson, Marxism and the New Left* (2004) and *Reflections on the Marxist Theory of History* (2006). Neil Davidson is the author of *The Origins of Scottish Nationhood* (2000) and the Deutscher Prize winning *Discovering the Scottish Revolution* (2003).
