Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

Random House USA Inc, United States, 2003. Paperback. Book Condition: New. Bantam Mass Mar.. 173 x 107 mm. Language: English . Brand New Book. The timeless fiction of Louis L Amour is both unforgettable and undeniably American, deftly capturing the heroic bravery and intrepid spirit that make this nation great. L Amour's legacy of work remains unparalleled, setting a standard of excellence that few other writers have matched. Now *With These Hands* pulls together some of L Amour's very best work--eleven newly rediscovered stories that have never before appeared in a single volume. From a South Seas island paradise to the icy reaches of the Arctic, from the dark, gritty streets of urban America to the rugged landscape of the untamed West, the stories gathered in *With These Hands* combine razor-sharp characters with breathtaking action and historic detail. Here are tales of adventure, mystery, passion, suspense, and the Old West as only L Amour can tell them. The result is a collection that profoundly echoes the highs and lows of the human experience, while proving that life's most vital moments can occur when and where we least expect them. All of the classic L Amour themes are represented: honor, loyalty, and standing up for what's right despite the odds. These dramatic stories grab hold of the reader with a power and immediacy unsurpassed by any other writer. An exotic island in the Coral Sea is transformed into a tropical nightmare when it's taken over by a band of hijackers--and only a daredevil pilot can stop their brutal carnage. A former boxer blows the lid off a vicious crime ring--and finds that his worst enemy is not a thug with a gun but his own tenacious curiosity. A down-on-his-luck rancher discovers the key to his own...
