

Faith, Scholarship, and Culture in the 21st Century

By Alice Ramos, Marie I. George

The Catholic University of America Press. Paperback. Book Condition: new. BRAND NEW, *Faith, Scholarship, and Culture in the 21st Century*, Alice Ramos, Marie I. George, While some intellectuals at the end of the 19th century argued that scientific progress would eventually cause the demise of religion, it is evident that this has not been the case and that contemporary science is in fact not necessarily inimical to a religious worldview. So, a fruitful dialogue between science and religion has become a reality. But there is also a more fundamental question that arises, which is not simply the relationship of the sciences or of other disciplines to religion, but rather whether faith can and should have an impact on teaching and research. The majority of the essays in this volume hold that the Christian faith provides definite cognitive advantages and that to leave one's faith at the entrance of the campus, thus separating faith from reason, leads to a schizophrenic view of the Christian's intellectual life. This volume thus shows how the religious faith of intellectuals - not all of whom are Christian - exercises a real influence on their scholarship. In consonance with the thought of Pope John Paul II,...
