Trapped in a mythical world. Brooke Caldwell is no stranger to Egypts mythology. Her Egyptologist father raised her on bedtime stories from the Book of the Dead. But the discovery of a 5th dynasty corpse that could pass for her twin leads to perils she never imagined. Thrust into Egypts underworld by a mysterious stone amulet, Brooke is mistaken for the Duats lost queen. Brooke just wants to go home, but the Duats immortal rulers have other plans for their Isis look-alike. The annoying, yet intriguingly attractive, Osiris has information that can help her. Unfortunately, hes a foggy dream from Isiss borrowed memories. A handful of the underworlds lowliest citizens have bravely befriended her, but theyre as mortal and vulnerable as she is. To return to her own world, Brooke must release Isiss trapped memories from a magical stone. This, however, is easier said than done. Only one person - the ancient and mysterious Wadjet - knows how to undo the spells that bind the amulet. And she resides across an impassable lake of fire in a forest of death. This item ships from La Vergne, TN. Paperback.
