On the Kentucky Frontier: A Story of the Fighting Pioneers of the West (Paperback)

By James Otis

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. It is my purpose to set down what I saw during such time as Simon Kenton gave me my first lessons in woodcraft and it is well to make the statement in advance in order that others may be deprived of the opportunity of saying what would sound disagreeable: -that the pupil was for a time so dull that one less patient and painstaking than Kenton would have brought the lessons to a speedy close. That which now seems the most difficult is to decide how I shall begin this story of the little which I did on the Kentucky frontier during the year of grace 1778, and I can hit upon no plan which promises better success than that of copying here what I read in a printed book long years after I, a green lad, set out to do my little share toward bringing peace and a sense of security to the settlers who were striving to make homes for themselves and their families in what was then known as the colony of Virginia.
