Repertory of the Symptoms of Diseases of the Respiratory Organs (Classic Reprint) (Paperback)

By Frederick H Lutze

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Repertory of the Symptoms of Diseases of the Respiratory Organs In the first year of my practice, friendly counsel saved for me two patients who would otherwise have succumbed to pneumonia. The first case was a girl, set. 10 years, who was practically cured in one day by sanguinaria; the second case was a man, ae. 73 years, who was promptly cured by phosphorus. Neither of these families had ever had hom oopathic treatment before, hence neither was able to give symptoms of any real value to guide me in the selection of the hom oopathic remedy, and it was the discoloration of the face - circumscribed bright redness of the cheeks in the child, and dusky, suffused redness of the face in the old gentleman, - which gave the first guide to the selection of the proper hom oopathic remedy. When I saw the rapid and, to me, marvelous action of these remedies, I resolved that if I ever could do anything to help the beginner in hom oopathy to cure such cases in...

Reviews

Complete information for pdf fans. it had been writtern quite perfectly and helpful. You can expect to like how the article writer compose this ebook.

-- **Jack Hirthe**

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
