Nimitz Class

By Patrick Robinson

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Nimitz Class, Patrick Robinson, An unconquerable fortress, the US Nimitz-Class Aircraft Carrier Thomas Jefferson is the most powerful nuclear-powered warship in the world, stationed in the Arabian Sea to preserve the peace and Western allied interests. But the unthinkable occurs when the billion-dollar ship is destroyed in what appears to be a nuclear accident - it is the greatest peacetime disaster in US history. Whilst America mourns for the lives of the crew, Intelligence reports begin to suggest that the cause of the tragedy may be a rogue ex-Soviet submarine, and Admiral Arnold Morgan is called in to investigate. But no one knows who is on board, where it came from, or how it came within striking range of the Thomas Jefferson unnoticed. Worse still, no ones knows where it is or if it will strike again. Political tensions mount as Middle Eastern connections are suspected, and a deadly chase ensues when a victim's brother seeks his revenge on the killers.
