Physical education class is a great setting for teaching children social skills--and Teaching Children Responsible Behavior: A Complete Toolkit is an easy-to-use resource to impart those skills to elementary school-aged children. Teaching Children Responsible Behavior will help kids - learn that their choices and actions have consequences; - acquire social skills to help them achieve their potential; and - discover how to show respect, challenge themselves, and be good friends and teammates as they work toward common goals. The CD offers the illustrated children's stories in PDF and PowerPoint format; articles that explore physical activity and behavior issues with follow-up questions; letters to parents about the focus and concepts of each unit; resources for guest teachers; worksheets and activities that can be used as homework or informal assessments; and posters that reinforce each unit's theme and concept and generate discussion about respect, challenge, and teamwork.
