Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Upon suffering beyond suffering: The Red Nation shall rise again and it shall be a blessing for a sick world; a world filled with broken promises, selfishness and separations; a world longing for light again. I see a time of Seven Generations when all the colors of mankind will gather under the Sacred Tree of Life and the whole Earth will become one circle again. In that day, there will be those among the Lakota who will carry knowledge and understanding of unity among all living things and the young white ones will come to those of my people and ask for this wisdom. I salute the light within your eyes where the whole Universe dwells. For when you are at that center within you and I am that place within me, we shall be one. - Crazy Horse, Oglala Lakota Sioux (circa 1840-1877) Crazy Horse is quoted as saying while he sat smoking the Sacred Pipe with Sitting Bull for the last time - Crazy Horse was killed four days later by US Army soldiers in a hand-to-hand scuffle as they attempted to imprison him. There are no known photographs of Crazy Horse, he would not permit anyone to take his picture, presumably, Crazy Horse believed a photograph stole or unnaturally held the soul of the person(s) pictured.
